EL Support Series Part 1: **7 Steps to a Language-Rich, Interactive Classroom**

Session Description

This innovative training will help all teachers transform their classrooms into vibrant spaces where students can use academic language to talk, read, write, and think about each lesson's content. Participants will leave with a dynamic process for structuring, planning, and facilitating a language-rich classroom. They will also gain knowledge of helpful ways to integrate both content and language standards when planning instruction and learn specific strategies for differentiating instruction so that all learners can build their ability to discuss and communicate academic concepts effectively.
